Syllabus for 2018-2019 Academic Year

Subject Teacher: Afroza Ahsan Kabir
Department Head: Mohammad Nurun Nabi

Mid Term Syllabus

Learning Objectives: Students will be able to -
Verb Tenses: Past, Present, Future

- Start by showing the students the enlarged Modal Verb, Verbs, Articles, Pronouns and Questions & Answers.
- Tell students to take a moment with their partners and discuss what's on the chart. This is meant for students to have an opportunity to make observations and discuss things that they might already know, and things they don't.
- Have students share their observations whole class. This will help you set the stage for the objective and essential question.
- Explain the **Modal verbs** and make them understand properly so that they can use it.
- To set the purpose for the lesson, introduce the essential question: *How to use the discussed topics in every respects.*

Objectives of practice creative writing

- improve their creative and academic writing skills
- develop their individual style and tone
- develop critique skills for effective in-class workshops of peer work
- develop analytical skills for effective in-class discussion of readings
- gain an understanding of core elements of the topic and the comprehension
- develop a skill set for completing creative/open-ended assignments
- develop a personal practice of literary citizenship
- demonstrate the ability to produce writing that is clear and logical
- demonstrate the ability to produce writing that is original and imaginative
- practice performance skills to present a live reading of their work
- receive personal feedback and mentoring from a creative writing professional
